Make  
your  
way

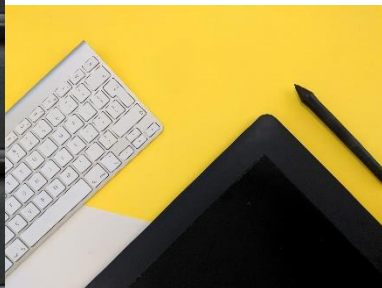

Co-funded by the  
Erasmus+ Programme  
of the European Union

This project has been funded with support from the European Commission. This publication [communication] reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein. Project N°.: 2018-1-PL01-KA202-051166

## MAKE YOUR WAY

project is an Erasmus+ KA2 strategic partnership in the field of Vocational Educational Training (VET).

“Make Your Way” is a Strategic Partnership of organisations from Poland, Czech Republic, Spain and Portugal that wish to bring more innovation to vocational education and training and support promotion of work-based learning (WBL) in all its forms.

## Aims

### I.

to develop relevant collaborations to open further opportunities for young VET students to apply knowledge in practical, “hands-on”, and “real life” workplace situations, at the same trying to enhance their entrepreneurial attitudes, in particular by working in LABs.

### II.

MAKE YOUR WAY also intends to contribute to the continuous professional development of VET teachers, trainers and mentors in both school and work-based settings, with a focus on developing effective digital, open and innovative education and pedagogies, by developing materials that can help those professionals assist young VET learners in taking the most benefit from using LABs.

## Targets

- VET LEARNERS, YOUNGSTERS AGED FROM 16 UP TO 26;
- VET TEACHERS, TRAINERS AND MENTORS;
- LABS STAFF /FACILITATORS.

## Results

1. PRACTICAL GUIDE FOR BRINGING LABS TO LIFE
2. TOOLKIT OF LEARNING MATERIALS
3. ROADMAP AND GUIDE FOR MENTORING TALENT

## FAB LABS

The project takes benefit of the concept of “Fab labs”, or LABs, a small-scale workshop offering digital fabrication, proven to boost innovation and entrepreneurship, as they are platform for learning and innovation: a place to play, to create, to learn, to mentor, to invent.
