

MAKE YOUR WAY MULTIPLIER EVENTS!

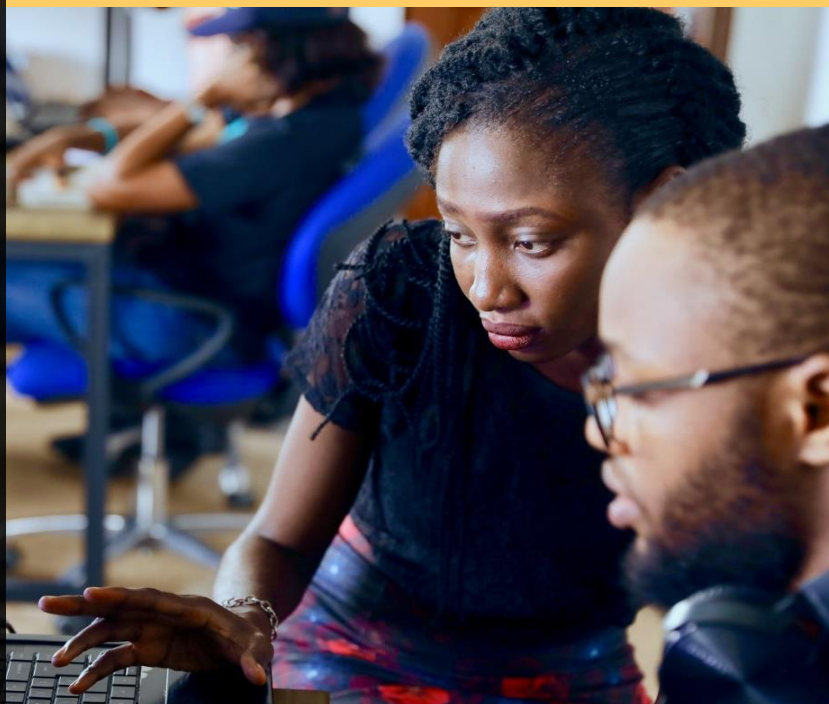

The Make Your Way partners organised National Multiplier Events between March and April 2021! The main goal of these events was to involve stakeholders and ensure the exploitation and sustainability of the project results.

Thus, emphasis was given to the “*Practical Guide for bringing Labs to Life*”; “*The Toolkit of Learning Materials*”, the “*Make Your Way Roadmap*” and the “*Guide for Mentoring Talent*”. The participants were the main target groups of our project, as follows:

- Formal educational organizations;
- Providers of non-formal learning;
- Representatives of local authorities;
- Associations in the field of education and employment;
- Representatives of employers.

The last MAKE YOUR WAY partners’ meeting took place on the 27th of April!

After two years and a half implementing Make Your Way, partners met one last time to celebrate the successful implementation of the project.

All partners presented their latest activities, including the organization of the Multiplier events, and the coordinator reminded all partners of the last steps needed before closing the project. An overview on the work performed was given by all partners, and the feedback was very positive, with partners wanting to work together again in future projects!
